

Events Cancellation Policy

If the weather is questionable, please check our website or Facebook page. You can also watch WWMT Channel 3 or check their website or listen to WMUK FM 102.1 or WKZO AM 590 for a cancellation announcement of our monthly meetings.

Field trips and bird counts are held rain or shine. They are only cancelled in severe weather.

Audubon Society of Kalamazoo
Meets at 7:00 PM the 4th Monday of
September-April, except December.

At the People's Church
1758 North 10th Street, Kalamazoo
0.6 miles north of M-43

Membership

Adult	\$10.00
Student	\$5.00

Membership fees and contributions for operations and special projects made payable to the Audubon Society of Kalamazoo qualify for a charitable deduction for Federal income tax purposes. While this is where our greatest need is, contributions to the Kalamazoo Community Foundation/Audubon Society of Kalamazoo Endowment Fund are also welcome. These contributions qualify for a charitable deduction for Federal income tax purposes as well.

Our membership year starts in July. For members joining April-June, the fee will be applied to the next membership year. Details and membership form inside.

Let us know your interests on the back of this form.

I do not wish my name given out for mailing list purposes _____.

Audubon Society of Kalamazoo

Dedicated to:

Bird and Wildlife Conservation — Nature Education — Outdoor Recreation

The Audubon Society of Kalamazoo (ASK) has been a part of the Kalamazoo community since 1945, when Kalamazoo area bird watchers decided to organize. For many years it was the only all-volunteer nature organization in the Kalamazoo area. Today we are an active club with members from all birding skill levels, although many are at the beginner to intermediate levels.

You are invited to join ASK. By becoming a member, you will be joining over 300 birders in Southwest Michigan who share an interest in bird watching, nature, and the environment. Your membership not only entitles you to participate in the activities listed below, but also makes those activities possible.

Please understand while we are a local chapter of Michigan Audubon, membership in Michigan or National Audubon does **not** automatically make you a member of ASK. All three organizations share the common mission of bird conservation, but we are our own entity.

What we do:

- Offer informative monthly bird or nature programs on the 4th Monday of September-April, except December, at 7:30 PM at the People's Church, 1758 North 10th Street in Kalamazoo.
- Lead more than 25 birding field trips and nature walks to local and regional natural areas (September-May).
- Publish an interesting and informative electronic monthly newsletter (September-June).
- Organize a Kalamazoo Area Christmas Bird Count.
- Host a potluck and bird walk at a specially chosen site for the Annual Meeting in May.
- Give more than 60 free classroom bird presentations annually to area schools.
- Give bird and butterfly presentations to adult groups.
- Maintain a lending library of several hundred bird-related books, videos, and CDs.
- Maintain a local Rare Bird Alert e-mail network.
- Actively work on environmental issues, particularly on the local level.
- Provide deserving local, national, and international organizations with donations to help protect birds and their habitats.
- Maintain a Peregrine Falcon nest cam.
