

How to Get Involved?

- **Email your representatives** – [Click here](#) to let your state representatives that you want them to take action on curbing dangerous neonic pollution.
- **Call your representatives** – It really matters! Few things are more impactful than a phone call to your state representatives. [Click here](#) to find them and their contact information.
- **Let us know who else might be interested** – Do you know other groups or people we should reach out to? Is there another good audience who might like this presentation? Please let us know by reaching out to Lena at lfreij@nrdc.org.
- **Stay in touch** – For those who want to stay in touch on potential future actions, you can fill out [this short Google form](#) or reach out to Lena at lfreij@nrdc.org.
- **Plant native plants, and don't use pesticides!**
